Dear David and Russell Jenkins

I write to you on behalf of the Chairman and Members of the Amman Valley Hospital League of Friends to thank you so very much indeed for your generosity in donating the absolutely beautiful celebration cake to mark 75 years of the NHS.

Everyone at the Afternoon Tea event was in awe of the impact, skill and visual quality of the cake which generated many appreciative conversations around the display table. Mrs Aneira Thomas, the first NHS baby born at the hospital was so delighted and honoured to cut the cake, after which she proudly opened the event at the Amman Valley Hospital.

I would particularly like to thank Claire O'Brien for being so helpful and engaging in such an excellent, friendly and professional manner. I would also like to convey our sincere thanks to the baking team for taking the initiative to create such an appropriate decoration for the purpose of the event. Lastly, but definitely not least, to the staff at your Ammanford Jenkins Bakery shop for being so supportive and safely transporting the cake to my car.

Any money raised by AVHLoF will be allocated towards the purchase of any equipment or items that will enhance and compliment patient care at the Amman Valley Hospital, together with other services, for the benefit of the wider community.

The AVHLoF will also be celebrating 75 years of charitable status on the 22 September this year and is very proud of its success over the decades and how the charity has been able to save and support its local community hospital.

Further information can be found on the Amman Valley Hospital League of Friends Facebook page.
